

IPWA 2026 Photo Contest

A fundraising event to benefit the Indian Peaks Wilderness Alliance

Help us celebrate the beauty of the Indian Peaks and James Peak Wilderness!
The Indian Peaks Wilderness Alliance (IPWA) is hosting its Annual Photo Contest throughout September, and we'd love to see your favorite wilderness moments. Share your best photos for a chance to have your work featured in our fundraising notecard collection and other IPWA educational and marketing materials.

📸 Submit your photos by September 30!

Your participation helps support the IPWA's mission to protect and preserve the Indian Peaks and James Peak Wilderness areas. As a 100% volunteer-based organization, your support makes a difference.

Enter the contest, share your wilderness memories, and help protect the places you love!
