

We do not inherit the Wilderness from our ancestors; we borrow it from our children.

Announcement: Advanced Wilderness First Aid & CPR Class May 19-20 2018

We are excited to announce that we will be offering another Advanced Wilderness First Aid (WFA) with CPR training class through Front Range CPR this year!

This discounted course is **ONLY** open to volunteers and members. Friends and family can become members with a donation of \$10 or more.

While first aid training is useful for all of us, it is **not required for our summer patrol volunteers**. However, a two day WFA + CPR certification is required for our IPWA winter patrol program, and strongly recommended for our IPWA sawyer program.

Advanced Wilderness First Aid & CPR Class

The IPWA is coordinating with the USFS and Front Range CPR to make available this 16-hour Advanced Wilderness First Aid (WFA) with Adult CPR and AED training class.

Dates: The session will be two days on Saturday May 19 (8am-5pm) and Sunday May 20 (8am-6pm).

Location: USFS Boulder Ranger Station in Boulder, Colorado.

Cost: \$100.00 per person for Advanced Wilderness First Aid and Adult CPR and AED training. A \$25.00 deposit is required to hold your spot and the balance is due at the door (cash or check preferred).

Note: IPWA is pleased to offer this course to our volunteers and members at a discounted rate (the same course not including CPR typically costs \$225-\$275 through other organizations, such as REI/NOLS).

Certification: This course provides a 3-year certification in Wilderness First Aid and a 2-year certification in Adult CPR & AED from ASHI (American Safety and Health Institute).
