

*Saving Wilderness.
Changing Lives.*

Hello IPWA Volunteers,

Please read the following September updates from IPWA and U.S. Forest Service Boulder Ranger District below:

IPWA Update

- **The IPWA Summer Patrol Season ends October 1st, 2019.** Please note the following [Colorado Division of Wildlife Hunting Season Dates](#)

Boulder Ranger District Update

- The complete [September Boulder Ranger District Update](#)

Some Highlights include:

- Bear activity is still high. Bring bear canisters for dispersed/backcountry camping and use bear lockers at campgrounds. Report all bear interactions to CPW at (303) 291-7227.
- Pawnee Campground is closed. Brainard Lake Recreational Area is open until October 14. "Summer" Regulations Apply until November 15. Dogs must always be on hand-held leash. Dispersed camping is only allowed north of the South St. Vrain Creek.
- Indian Peaks Wilderness - Permit season is winding down. Permits are not required after September 15. Permits are required year round for day and overnight trips for organized groups of 8-12 people. Campfires are prohibited in most areas. Other wilderness regulations apply.

Sincerely,
The Indian Peaks Wilderness Alliance
