

Indian Peaks Wilderness Alliance (IPWA) Volunteer Portal Scheduling & Reporting Instructions

The Indian Peaks Wilderness Alliance (IPWA) website is www.indianpeakswilderness.org.

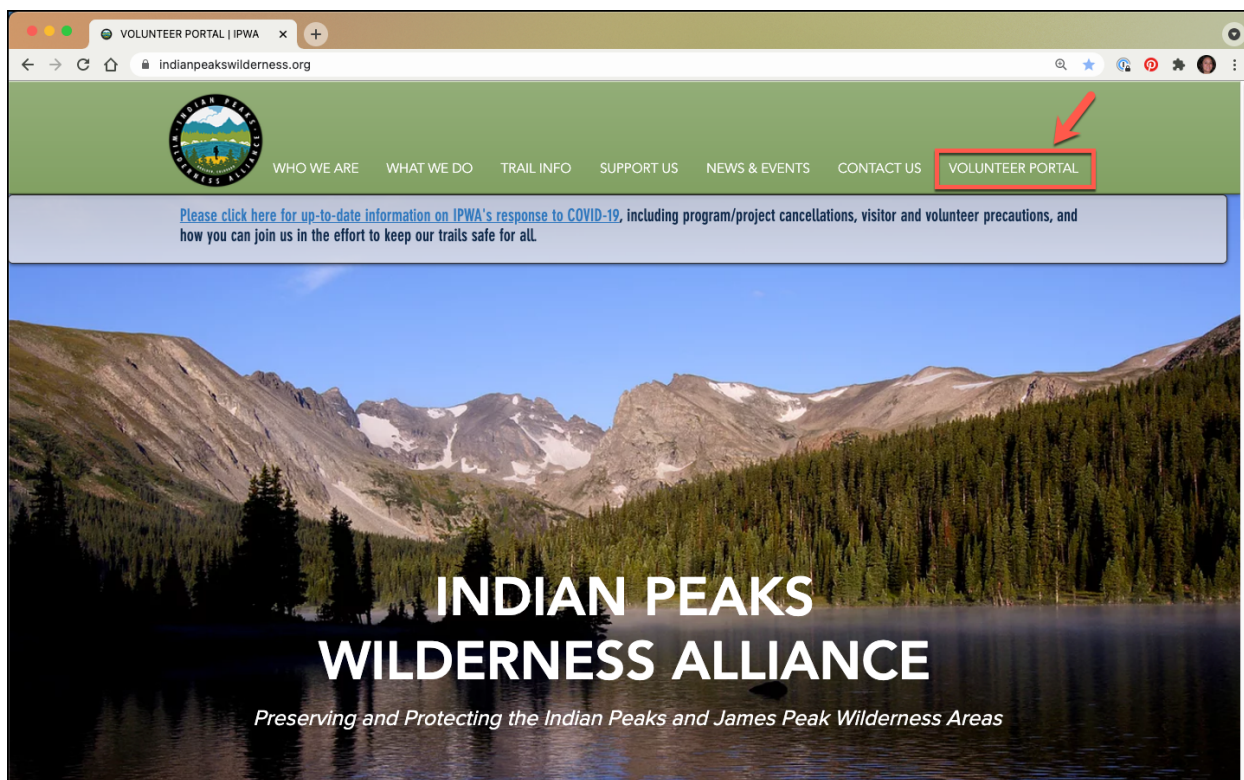

The website has a “Volunteer Portal” section that is restricted to current active volunteers via a login page. Note: If you are applying to be a new volunteer, you will not receive login access until you’ve been accepted into the program.

The Volunteer Portal section has buttons to “View Schedule”, “Schedule Patrol”, and “View All Reports”. Note that only active volunteers for the current season (summer or winter) will have full access to the scheduling form (seasonally inactive volunteers will have “view only” access to the other portal pages until the season starts).

Troubleshooting Tip: If you are having trouble accessing our website or the tables are not loading, please **update your browser** (see instructions here: <https://browser-update.org/update-browser.html>), then close all open tabs/windows and **clear your browser's history/cache and cookies**, see instructions here: <https://clear-my-cache.com/>.

Volunteer Portal Sign-Up and Login Instructions

1. Go to the IPWA Website (<https://www.indianpeakswilderness.org>) and select the ‘**Volunteer Portal**’ link in the upper right.

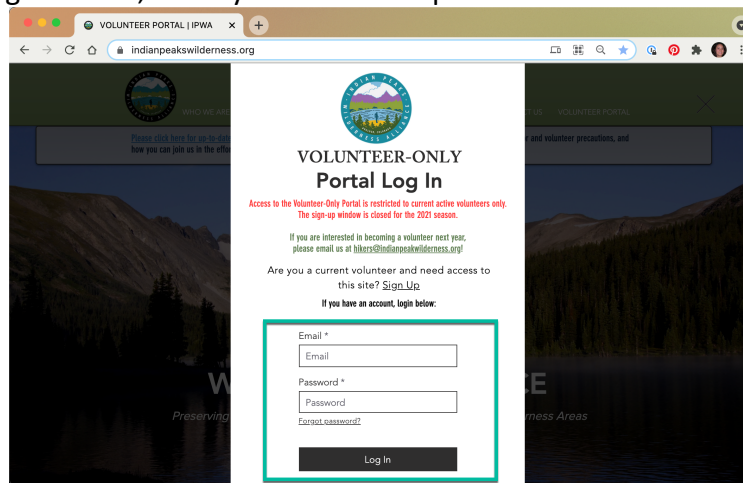

2. The Log In page opens. If you do not have a login, select the **'Sign Up'** link.

The screenshot shows a web browser window with the URL indianpeakswilderness.org. The page is titled "VOLUNTEER-ONLY Portal Log In". It features a circular logo at the top center. Below the logo, there is a red notice: "Access to the Volunteer-Only Portal is restricted to current active volunteers only. The sign-up window is closed for the 2021 season." This is followed by a green notice: "If you are interested in becoming a volunteer next year, please email us at hikers@indianpeakswilderness.org!". The main text asks: "Are you a current volunteer and need access to this site? [Sign Up](#)". A red arrow points to the "Sign Up" link. Below this, it says "If you have an account, login below:". There are two input fields: "Email *" and "Password *". A link "Forgot password?" is located below the password field. At the bottom is a "Log In" button.

3. Fill out the sign-up form by entering your first and last name, your primary email address, and password. Then check the "I'm not a robot" box and check "I am a current volunteer" before clicking "Submit".

The screenshot shows the same web browser window, but the page is titled "VOLUNTEER-ONLY Portal Sign-Up". It features the same circular logo at the top center. Below the logo, there is a red notice: "Access to the Volunteer-Only Portal is restricted to current active volunteers only. The sign-up window is closed for the 2021 season." This is followed by a green notice: "If you are interested in becoming a volunteer next year, please email us at hikers@indianpeakswilderness.org!". The main text asks: "Already a member? [Log In](#)". Below this is a sign-up form with the following fields: "First Name", "Last Name", "Email", and "Password". There are two checkboxes: "I'm not a robot" (with a CAPTCHA image) and "I am a current volunteer". At the bottom is a "Submit" button.

4. Your account will need to be approved by an administrator before you can login. Check your email for a confirmation message.
5. From the login screen, enter your email and password and click the 'Log In' button.

Important Announcements

Winter Patrol Season is in full swing! Have photos to add/share? Attach to your report or send them to us at hikers@indianpeakswilderness.org

Returning summer patrol volunteers: you will not have full access to the site to schedule a patrol (unless an active winter volunteer) until the season starts June 5th. You must complete the online training by May 30th!

Know Before You Go

Visit the [USFS Boulder Ranger District](#) page for alerts, trail closures, road status, permits, etc..

Read the public [Trail Condition Reports](#) entered by IPWA volunteers.

Check out [Nederland Weather Conditions](#) (from Comstock Mine station at 9895 ft, which is close to Brainard Lake's elevation). For more weather links, visit the [Weather FAQs](#).

Check out the [Volunteer Resources](#) and [Volunteer FAQs](#).

Upcoming Events

May 22nd - May 30th: Returning and new volunteer [online training](#)!

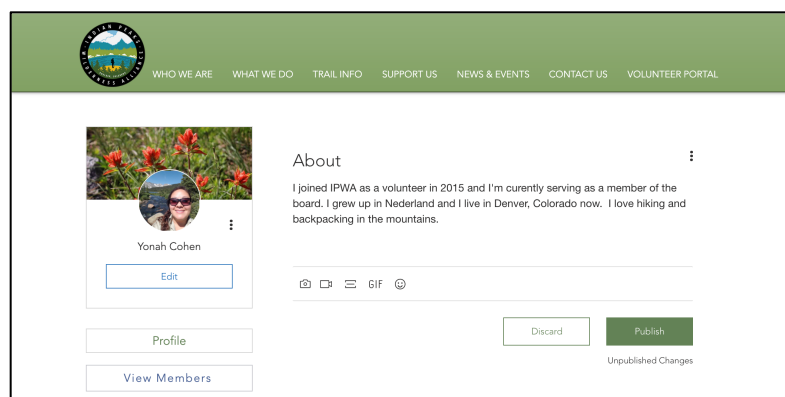

May 20th - 22nd: Sawyer Crosscut Certification Class (returning volunteers only, email us for info)

Edit Your Profile and View Members

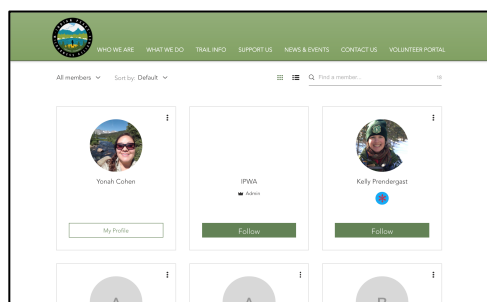

1. From the Volunteer Portal home page, click on the grey bar with your name to view a menu with options to go to your profile or log out. To view/edit your profile or see other members, click "Profile".

2. Your profile page is only visible to other volunteers.
 - Optional: Update your name and add a photo by clicking 'Edit' in the box in the upper left.
 - Optional: Update the 'About' section to introduce yourself.
 - Note: Badges are small icons on your online profile page that display digital credentials and awards.

3. To view other members, select 'View Members' in the profile box on the left.
4. The members page opens, displaying all of the volunteer profiles. Note: The 'Follow' button does not do much (this is a feature for websites that have multiple blog writers that members would like to follow).
 - To view a specific volunteer's profile, click on the circle with their first initial or photo.

- Note the "join date" is the date you signed up for the new portal (not your volunteer start date).

View All Scheduled Patrols

1. From the Volunteer Portal home page, select the 'View Schedule' button to see all scheduled patrols entered by volunteers.

TIP: Review the schedule below before you schedule your own hike. Please help us maximize trail coverage by picking a unique date/start time/route that does not have someone else already patrolling (for example if another volunteer is starting at 7am on the Mitchell Lake Trail, you could pick a different route or choose a different start time).

2. The 'View Schedule' page opens displaying all scheduled patrols in the table (each line is a separate patrol).
 - a. You can scroll to the right to see more information or click the "View Larger" button to open another tab with a larger view.
 - b. Click on a line in the list and select the blue 'View' button that pops up to see more details about a particular scheduled patrol.
 - c. You can search the list, use the filter option or the calendar option to narrow down the list.

Schedule a Patrol Hike

Scheduling Tips:

- Please review the schedule prior to scheduling a patrol to ensure maximum coverage.
- New volunteers: you must complete two mentored hikes before going out on your own or with others who are not your mentor.
- If multiple IPWA volunteers are patrolling together, only one person should schedule the patrol and enter the report. The person who scheduled the patrol will also need to complete the report. All members will be credited with the patrol.
- Volunteers must patrol the official USFS trailheads and destinations for the IPW/JPW (listed on the patrol scheduling and reporting forms). Note that guidebooks and apps like AllTrails may list other locations as trails or climbs, but they should not be a part of a patrol hike.
- Volunteer may opt to do day hike patrols or overnight/multi-night backpacking patrols (keep in mind that patrolling duties are restricted to daylight hours only, so after hours you'll be 'off the clock').
- The volunteer who schedules the patrol will receive a copy via email with a link to edit the scheduled patrol. Note that volunteers cannot delete their own scheduled patrols, so if you need an admin to delete the patrol, please send an email to hikers@indianpeakswilderness.org.
- The volunteer who schedules the patrol will receive an email with a link to fill out the patrol report on the return date entered while scheduling the patrol.

Schedule a Patrol Hike

SUMMER 2022 SEASON (June 5 - September 30)

Complete this form to schedule a patrol hike as a U.S. Forest Service Volunteer for the Indian Peaks Wilderness Alliance.

Please review the [schedule](#) beforehand and help us maximize trail coverage by picking a unique date/start time/route that does not have someone else already patrolling (for example if another volunteer is starting at 7am on the Mitchell Lake Trail, you could pick a different route or choose a different start time).

If you are planning on going to the Brainard Lake Recreation Area (BLRA), please review the schedule to ensure that one of the 3 parking spots for volunteers is available.

If multiple IPWA volunteers are hiking together, the person who schedules the patrol hike will need to complete the report. All members will be credited with the patrol.

NOTE: The volunteer that schedules a patrol hike is also responsible for completing the corresponding patrol report.

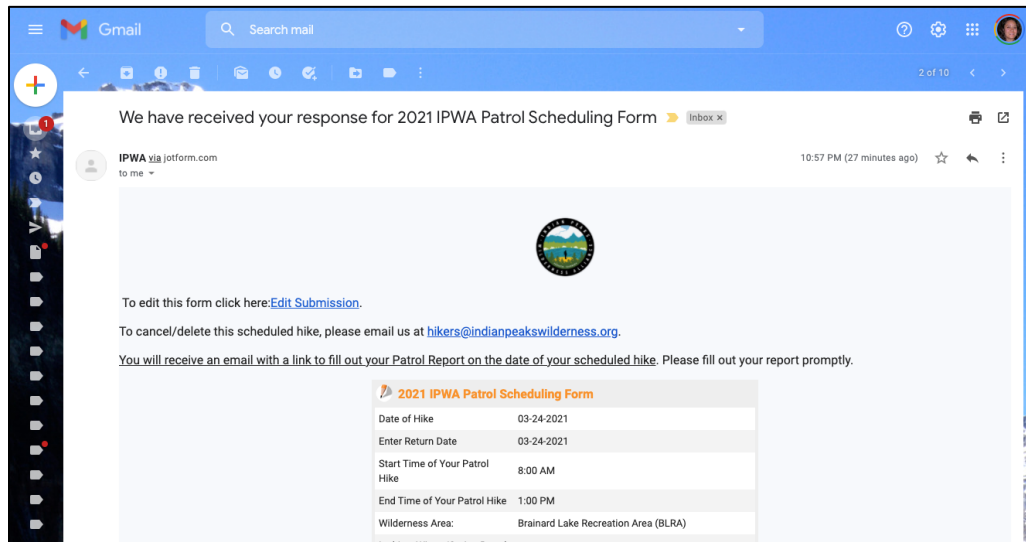

Step 1: Date and Time

Date of Patrol Hike *

MM-DD-YYYY 

Date

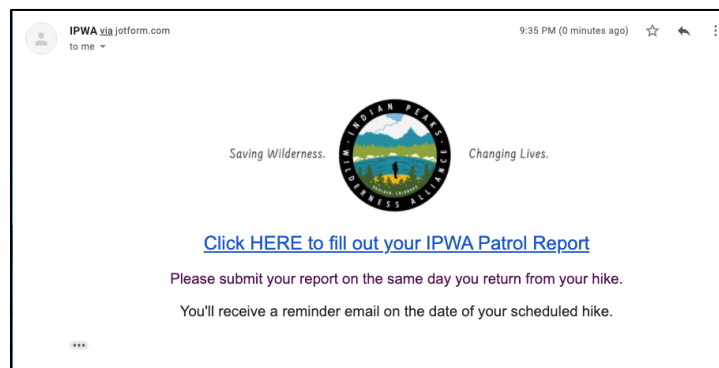

3. Click “Submit” at the bottom.
4. After submitting your scheduled patrol, it will display on the “Schedule” list. You will receive an email with a copy and a link to edit the scheduled patrol, if needed. Volunteers cannot delete their own scheduled patrols, so if you need an admin to delete the patrol, please send an email to hikers@indianpeakswilderness.org.

Complete Your Patrol Report

Reporting Tips:

- If multiple IPWA volunteers are patrolling together, only one person should schedule the patrol and enter the report. The person who scheduled the patrol will also need to complete the report. All members will be credited with the patrol.
 - The volunteer who schedules the patrol will receive an email with a link to fill out the patrol report on the return date entered while scheduling the patrol. If you do not receive the report via email, please contact us at hikers@indianpeakswilderness.org.
 - Please submit your report on the day you return from your patrol!
1. You will receive an email with a link to complete your patrol report on the return date for the hike that you entered on the scheduling form. Please complete your trip report on the same day that you return from your patrol! Click on the link to “Fill out Patrol Report”.

2. The report opens with some information copied from your scheduling form. Fill out the report (see the handbook for information on the information in the report).

The screenshot shows the top portion of a web form titled "Volunteer Patrol Report". At the top center is the Indian Peaks Wilderness Alliance logo, which features a circular emblem with a mountain, trees, and a hiker. Below the logo, the title "Volunteer Patrol Report" is centered in a bold, black font. Underneath the title, there is a block of instructional text: "Complete this form to report on your patrol hike. NOTE: Please submit your report on the day of your hike. Winter/Spring Patrols Only: If a report is not submitted on the day of your hike (or return day for an overnight trip), emergency protocols will be started that evening. If multiple IPWA volunteers are hiking together, the person who scheduled the hike will need to complete the report. All members will be credited with the hike." Below this text, the section "Step 1: Critical Patrol Information for USFS" is introduced. The first field in this section is "Report Importance (pick one) *", which has a radio button selected for "All Okay".

3. After clicking "submit" at the bottom of the form, the public trail conditions report will open. Select "submit" at the bottom.

The screenshot displays the "PART 2: Review Public Trail Conditions Report" section of the form. At the top of this section, a red message states: "This form auto-populates from the Volunteer Patrol Report. Please review the information below, then click 'Submit'." Below this message are several input fields: "Date of Hike *" with a date picker showing "03-26-2021"; "Trailhead *" with a text box containing "Winter Gateway TH"; "Destination(s) *" with a text box containing "CMC Cabin"; and "Trail Condition *" with four radio button options: "Dry", "Mostly dry", "Wet and muddy", and "Snow packed with bare patches/rocks exposed" (which is selected). Below these options is a note: "Fully snow covered and deep in places - traction device (snowshoes, skis, microspikes) recommended". At the bottom of the form, there is an "Additional Trail Info" section with a text box containing "Heavy snow". A "Submit" button is located at the very bottom of the form.

4. You will receive an email with a copy and a link to edit the report, if needed. If you accidentally enter a duplicate report, please contact hikers@indianpeakswilderness.org.
