Hessie Cabin Renovation

On November 7th, agency partners celebrated the restoration of the Hessie Cabin! The historian and archeologist gave a presentation on the cabin's history and the restoration project, and partners brainstormed on what the newly renovated structure could be used for, including a supply cache, historical presentations, and a gathering area.

Thank you to everyone involved in this project!

Winter World: The Ingenuity of Animal Survival

by Bernd Heinrich

If you enjoy reading and connecting with others who love the wilderness, please join us to discuss the January book selection.

We'll share our reflections about the book and our own experience. All are welcome (IPWA members and general public).

Beverages and food available at the Rayback.

Program Updates

Winter Patrols Now Underway!

IPWA winter patrol volunteers are now on the trails! Winter Patrols are active from late November to early June and help to provide year-round support to the Forest Service and to all the Wilderness and BLRA visitors.

Looking to get out in the backcountry? View our trail condition reports below.
